

Big Game

Hunt Oregon specializes in both rifle and archery open country Mule Deer hunting in four Game Management Units in Eastern Oregon. You can expect to see many bucks each day while looking for one of the 180 inch bucks that call this property home.

Here at **Hunt Oregon** we also have outstanding Elk Hunting opportunities, where harvesting a bull over 320 B&C inches is not out of the question. We take pride in making sure that our clients not only harvest a trophy, but that they have an all around great experience hunting with us.

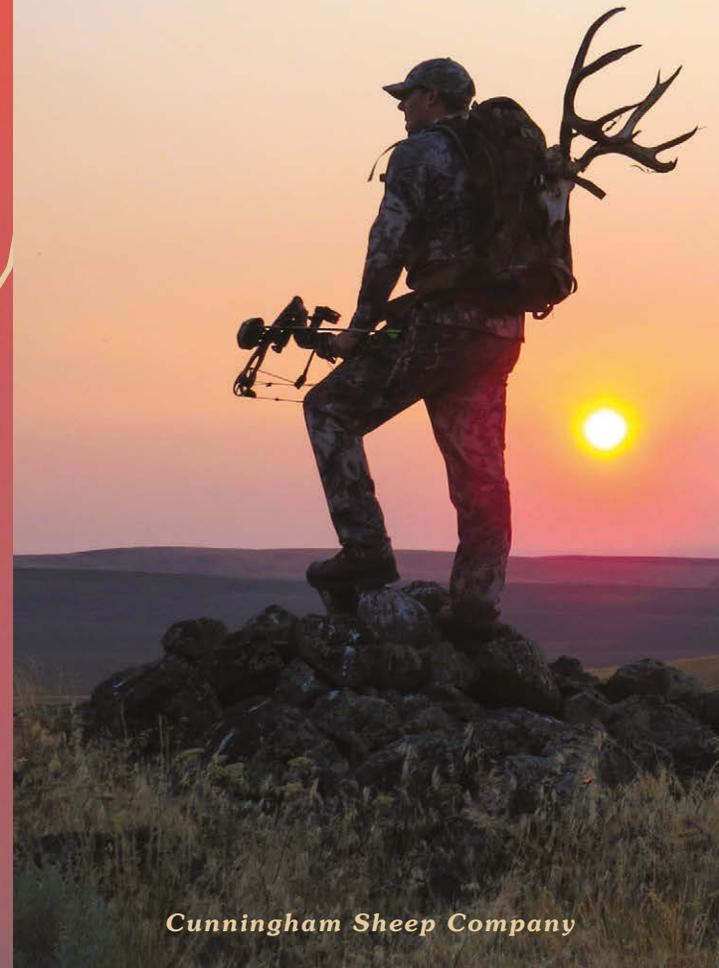

I hunt because I love the entire process; the preparation, the excitement, and sustained suspense of trying to match my woods-lore against the finely honed instincts of these creatures.
